

# AAMRO AVIATION NEWSLETTER

First Edition - March 2025

---

## WELCOME TO THE INAUGURAL EDITION OF OUR NEWSLETTER!

---

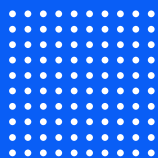

Aamro Aviation was born out of passion for flying. A childhood dream of Mr. Murali Nair that came true at the age of 58 when he got his pilot wings.

His vision of imparting quality flight training to prospective students who dream of a career in aviation or just to fly a plane took shape in 2016 with 4 Diamond Aircrafts. Now we have more than 14 aircrafts and operate out of two airports and have a proud alumni of 500+ students.

In this first issue, we're excited to share our founding story, highlight our growing community of pilots, and keep you updated on upcoming events and opportunities. Whether you're a current student, graduate, or aviation enthusiast, we hope this newsletter helps you stay connected with the Aamro family.

Join us as we embark on this new journey  
of sharing our passion for flight!  
Blue skies and tailwinds,

The Aamro Aviation Team

## TIMELINE OF AAMRO AVIATION'S GROWTH

### ◀ 2025

Aamro Aviation acquired five new Piper aircraft, expanding capacity and reinforcing our commitment to quality training with modern aircraft.

### ◀ 2024

Aamro Aviation added a sophisticated TECNAM multi-engine aircraft in December, enhancing our ability to provide multi-engine training for professional pilot careers.

### ◀ 2023

Aamro Aviation added four new aircraft (two Cessna 172S and two Pipers), later adding another Cessna 172S, enhancing training with modern technology.

### ◀ 2022

Aamro Aviation added three new aircraft to its fleet, significantly expanding training capacity to serve growing clientele.

### ◀ 2020

Aamro Aviation acquired Platinum and Sapphire Aviation, boosting services and strengthening our aviation training position despite industry challenges.

### ◀ 2017

Mr. Muralidharan Nair earned his Private Pilot License (PPL), showcasing the high training standards that would define Aamro Aviation.

### ◀ 2016

Aamro Aviation began its journey in the aviation industry, focused on excellence in flight training and services.

## SUCCESS STORIES: CELEBRATING OUR LATEST PILOTS

At Aamro Aviation, we take immense pride in the achievements of our students. This month has been particularly remarkable as we celebrate multiple successful stories that highlight the dedication of both our students and instructors.

"Flying with Stefano in the **Tecnam P2006T** was fantastic. The airplane is easy to fly and with Stefano's amazing instruction, getting my Commercial Multi was an absolute breeze!"

Congratulations to Aamro's very own, Steven Olsen, on passing his commercial multi checkride. Way to go Steven!

**STEVEN OLSEN**

## PIONEERING ACHIEVEMENT IN OUR NEW TECNAM

CPL MULTI Congratulations to Patrick Merryman on being Aamro Aviation's first Commercial Multi Pass in our new Tecnam 2006t! Throughout his training, Patrick exhibited remarkable proficiency in handling emergency procedures and maintaining situational awareness in challenging scenarios. His success further validates our comprehensive multi-engine training program utilizing our recently acquired **TECNAM** aircraft.

## PRIVATE PILOT LICENSE ACHIEVEMENT

Congratulations to Matthew Cowan PPL! Matthew's journey from first flight to certified pilot exemplifies the passion and perseverance that defines the aviation community. During his checkride, he demonstrated confident aircraft handling, sound aeronautical decision-making, and thorough knowledge of aviation regulations and procedures.

## TRAINING PROGRAMS

# 01

### **PRIVATE PILOT LICENSE (PPL)**

Best suited for recreational pilots who are passionate about flying but don't wish to pursue it as a career. Learn fundamental flying skills under visual flight rules.

# 02

### **INSTRUMENT RATING (IR)**

Enables pilots to fly under instrument flight rules (IFR) when unable to use external visual references. A requirement for professional aviation careers and prerequisite for ATPL.

# 03

### **COMMERCIAL PILOT LICENSE (CPL)**

Mandatory certification for those who want to fly professionally. Allows you to receive compensation for flying and is required for careers as a pilot or flight instructor.

# 04

### **Certified Flight Instructor (CFI)**

The course emphasizes developing teaching skills and applying knowledge gained up to the CPL level. As a flight instructor, you'll be qualified to teach both Private Pilot and Commercial Pilot students

# 05

### **CERTIFIED FLIGHT INSTRUCTOR INSTRUMENT (CFII)**

By adding CFII to your CFI certificate, you can teach Instrument students alongside Private and Commercial students. The CFII course is shorter than the CFI course, with duration depending on your existing instrument knowledge

## NEW FLEET ADDITION: FIVE PIPER ARCHERS!

---

Aamro Aviation is proud to announce that we have taken delivery of FIVE brand new Piper Archers!

Three will be at our F45 location, and two will be at our Lantana location. The Aamro team took a visit to the Piper Factory in Vero Beach to pick up our new additions!

Come on down to Aamro Aviation to get your Piper Checkout!

In order to apply please scan the QR code

## WE WANT YOUR FEEDBACK!

Don't see something you want? Let us know! We'll be regularly updating our product selection based on YOUR feedback. Drop us a line at [info@aamroaviation.com](mailto:info@aamroaviation.com) with your suggestions.

## COMING SOON

Keep an eye out for seasonal items, limited edition releases, and special promotional bundles. The sky's the limit!

**Have You Always  
Wanted to Rock  
Some Aamro  
Aviation Merch?  
Well Now You Can!**

## CHECK OUT OUR AWESOME SELECTION!

We've got tons of cool stuff available right now:

- ✈️ **Hats:** Keep the sun out of your eyes in style
- ✈️ **Hoodies:** Stay cozy during those early morning flights
- ✈️ **T-shirts:** Perfect for casual days or under your flight jacket
- ✈️ **Cups:** Because your coffee should fly first class too And so much more!
